

SOTICS 2014

Forward

The Fourth International Conference on Social Eco-Informatics (SOTICS 2014), held between October 12 - 16, 2014 in Nice, France, was an event on social eco-informatics, bridging different social and informatics concepts by considering digital domains, social metrics, social applications, services, and challenges.

We take here the opportunity to warmly thank all the members of the SOTICS 2014 technical program committee, as well as all of the reviewers. We also kindly thank all the authors who dedicated much of their time and effort to contribute to SOTICS 2014. We truly believe that, thanks to all these efforts, the final conference program consisted of top quality contributions.

We also gratefully thank the members of the SOTICS 2014 organizing committee for their help in handling the logistics and for their work that made this professional meeting a success.

We hope that SOTICS 2014 was a successful international forum for the exchange of ideas and results between academia and industry and to promote further progress in the area of social eco-informatics. We also hope that Nice, France provided a pleasant environment during the conference and everyone saved some time to enjoy the charm of the city.
